## 12 CITY ALIVE!

Last year, over 5,000 revellers thronged the City Hall for the City Alive! party. This year's edition promises to be bigger and more exciting with the party venue now at the tracks in front of the Pit Building, with organisers People's Association (PA) and People's Association Youth Movement (PAYM) expecting about 8,000 to turn up.

Guests this year include the UK's Space Cowboy and Japan's All Area Crew and DJ Sarasa, along with homegrown acts like DJ Andrew T, DJ Inquisitive and top B-boys, Radikal Forze.

*20 Feb 2010, Pit Building. Tickets available from SISTIC.*
