DJ, Record Producer & Singer - Space Cowboy also recently received a Grammy Nomination for his work on Lady Gaga's "FAME" album.

WHO IS YOUR FAVOURITE FAMOUS PERSON? AND THE NASTIEST FAMOUS PERSON YOU'VE MET?

Lady Gaga. I've never met a nasty famous person... yet...sorry!

WHEN WAS THE LAST TIME YOU LIED?

I don't really lie, I omit the truth sometimes, but that's not the same is it? I'm quite private person; I don't like gossip, so sometimes I tend not to explain myself clearly if I feel it's awkward.

WHAT IS THE MOST FREQUENTLY ASKED INTERVIEW QUESTION THAT YOU'RE COMPLETELY SICK OF ANSWERING?

I'm never sick of interviews. I could be working as a shoe salesman and not doing interviews...

HOW ARE YOU GOING TO MAKE SURE 2010 IS GOING TO BE BETTER THAN 2009?

More productions, more writing, trying to make the right decisions, more partying but responsibly-ish... :o)

SPACE COWBOY WILL BE SPINNING ALONGSIDE THE BUTTER FACTORY DJs ANDREW T & INQUISITIVE AT THE CITY ALIVE! 2010 PARTY ON THE 20TH OF FEBRUARY. MORE DETAILS AT WWW.CITYALIVE.SG
